

PREVENTING RADICALISATION **&** **TACKLING EXTREMISM POLICY**

Sunrise Nursery School works in partnership with the wider Early Years to ensure children and their families are safeguarded from radicalisation and extremism.

In line with the PREVENT duty, we will ensure that all staff and management committee members are trained, informed, recognise vulnerability and mitigate the risks. We will produce an action plan to mitigate identified risks and ensure the EYFS curriculum embeds British Values, teaching our staff, children and visitors to be tolerant and have respect for all faiths within our multi-cultural society.

This is underpinned by a range of other setting policies including e-safety, curriculum, staffing and safer recruitment.

Sunrise Nursery's statement of values respects learner and staff diversity, encourages freedom and openness and promotes the learner voice.
